

The Phases of Augmented Reality in Education

@TechBradWald

@KEveland2

@GustafsonBrad

HOW MIGHT THESE PHASES LOOK IN ACTION?

The World Book Talk project utilizes Augmented Reality to link creative book talk videos to a book's cover image. To view videos download the free Aurasma app. Then "follow" the World Book Talk channel in Aurasma. Lastly, open the Aurasma app & aim your mobile device's viewfinder at any book cover found in the list of titles below:

<http://adjustingcourse.wordpress.com/worldbooktalk/>

The World Book Talk connects authors, educators & students to 1 minute book talk videos from anywhere on the planet. Contact @GustafsonBrad or @HCooper815 on Twitter for support or to contribute your own videos.
